The reason why the D.C. recommends the S.D.O. of Mannargudi being appointed as Trustee on behalf of Govt. under para 4 of the Scheme of administration for the temples at Srivasanmedram (Flag T) is that the D.C. himself is too far away from the Island and cannot find time to attend to the administration of the charities. In view of the importance of the Scheme however it is for consideration whether it is not desirable to nominate the D.C. as Trustee on behalf of Government

In the initial stages of working at least it would appear desirable to associate a fairly Senior Officer with Statutes in the management of the Charges till experience is gained of the working and matters settle down to normality in working. It is not known whether it would be impossible for the D.C to visit the place at least once a month as it is within his jurisdiction ordinance

Solicited as to whether the D.C's recommendation may be accepted in the circumstances.

4) I agree. The scheme is likely to give some trouble in working at the beginning but it is desirable that the DC should represent the Mysore Govt as Trustee for some time at least. In my personal discussions with the Madras members of the Board, as I gave them informally the idea that the DC is likely to represent the Govt as Trustee

SIR,

With reference to correspondence ending with your letter No. 122/Muz.81-31-27 dated 2nd August 1933 re: the scheme of administration for the temples at Sivasamudram, I have the honor to state that under paragraph 4 of the scheme a trustee has to be nominated by the Mysore Government. As the Deputy Commissioner of the Mysore District is too far away from the Island and will always be busy, it seems to me that he cannot find time to attend to the administration of the Charities. I therefore recommend that the Sub Division Officer of Mandya may be appointed as Trustee and the working of the arrangement may be tried for some time. I request that his appointment as Trustee may be notified in the official gazette and intimation thereof given to the Endowments Board and the Hereditary Trustee.

2. Action is being taken in consultation with the Deputy Commissioner to appoint a Superintendent under paragraph 5 of the Scheme.

I have the honor to be,

Sir,

Gentlemen,

In personal interview

I am sending this registered notice to you, on behalf of Mr. Anantharava Mudaliar, Jagirdhar of - Sivasamudram, Kollegal Taluk, Coimbatore District:

JM

&
19/10

The Hindu Religious Endowments Board passed an order in O.A.No.320 of 1930 on 25-5-1933 against my client in respect of Sri Renganathasami temple. According to Section 63 of the Hindu Religious Endowments Act of Madras a suit can be filed against the said order within 6 months from the date of the publication of the said order in the Gazette.

My client is filing a suit in Coimbatore - District Court to set aside the said order. He understands that even before the expiry of six months time allowed by law, the Mysore Government is acting in hurried haste to stifle the rights and interests of my client, by nominating a trustee and a Superintendent. My client understands that the Mysore Government is seeking confirmation of the said nomination by the Religious Endowments Board.

25-

I hereby give notice to both the Board and the Mysore Government, that they will be violating the fundemental principles of law, in proceeding with the said nomination, confirmation and appointment, even - before the expiry of six months time from the date of publication. If the proposed trustee or Superintendent tries to intervene with the lawful rights and interests of my client before my client's suit is decided by the District Court, my client will hold you liable for damages. Further it will complicate the matters in - dispute and end in unnecessary litigation.

I am sure that, in the interests of the proper management of the temple, in which all of us are equally interested, you will suspend all further proceedings in the matter until the suit is disposed of.

Yours faithfully,

K. Thandavam Chettiar

Advocate.

To

The Deputy Commissioner,

Mysore District.

Respected Sir,

With reference to my appointment as Superintendent of the Sivasamudram Devasthanam, I beg permission to express my feelings of gratitude for your having so kindly recommended my name to Government for appointment to the above post.

Government have in their Order No.544-5/Muz.70-33-6 dated 28-10-1933 approved of my appointment as Superintendent and have directed that my pay might be fixed at Rs.60/-.

In this connection, I pray, I may be kindly permitted to submit the following few lines for kind consideration:-

I am a senior official of this District on a pay of Rs.55/- and when my case was recommended to Government for being posted to the temple, I was under the impression that I would be given a pay of Rs.75/- as sanctioned by the Board. Now orders have been received fixing my pay at Rs.60/- and I need hardly submit how discouraged I am at the start itself.

The apparent promotion of Rs.5/- is, I beg to submit, in fact a reduction in my present pay when the question of interest on the heavy security I have to furnish is taken into consideration. Further the promotion is too incommensurate when the specially arduous nature of my duties is taken into consideration. The deputation, I beg to submit, involves a decided increase in work, a decided increase in responsibility and a change in station to a place the unhealthiness of which is very well known. Even if I were to be deputed on my present pay, without the question of security being taken into account, I would be entitled to Rs.66/- under Article 57 M.S.R.

I am quite prepared to obey orders, I pray that the above facts may kindly be taken into consideration and I be given the pay of Rs.75/- sanctioned by the Board. I also pray that till the question of my pay is settled, the question of security may lie over.

I request that a recommendation may kindly be sent up to Government in the matter.

I beg to remain,
Respected Sir,
Your most obedient servant,

K. V. Venkataramanan.
